MAIL STOP PETITION

LETTER

Applicant resubmits the Petition attached hereto at Tab 1 and respectfully requests entry of the same in its entirety. Applicant further requests that no fee be charged for the resubmission of this Petition as the fee has already been paid.

The Petition attached at Tab 1 was originally submitted by facsimile transmission on March 31, 2006. A review of Public Pair on the USPTO web site indicates that a portion of the March 31, 2006 Petition (i.e., pages 2-4 and 29) was entered in the file history of the above-captioned application. On Tuesday, April 25, 2006, the undersigned received a letter from the Office of Initial Patent Examination indicating that the March 31, 2006 submission had not been entered and attaching pages 1 and 5-28 of the March 31st submission (see letter attached at Tab 2). It appears that the Office of Initial Patent Examination (OIPE) misunderstood the nature of the March 31st submission. In particular, it appears that the OIPE removed the Petition (i.e., pages 2-4) and the Terminal Disclaimer (i.e., page 29) from the submission, entered those documents into the system, deemed the remaining portion of the submission (i.e., pages 1 and 5-28) inappropriate for filing, and returned the same to the undersigned with the aforementioned cover letter.

As evidenced by the line at the bottom of each of the pages of the March 31st Petition (see Tab 2), as well as the facsimile transmission verification receipt received from the USPTO, a copy of which is attached at Tab 3, the submission included a total of

29 pages. Applicant submits that the initial submission of the March 31st Petition was in proper form for entry in the above-captioned application. Accordingly, Applicant respectfully requests that the Petition be entered in its entirety and that it be accorded a March 31, 2006 filing date.

The undersigned respectfully requests that the Patent Office telephone the undersigned should a teleconference facilitate resolution of this matter.

Please charge any additional fees owing or credit any over payments made to Deposit Account No. 06-2241.

Respectfully submitted,
